INFORMATION DISCLOSURE STATEMENT

Sir:

The applicant hereby submits an Information Disclosure Statement in accordance with 37 C.F.R. §§ 1.56, 1.97 and 1.98, for his invention of a "INTEGRATED POWER SUPPLY AND PLATFORM FOR MILITARY RADIO." Attached hereto is a Form PTO-A820 listing two (2) United States patents. Copies of the information in these patents are also enclosed. The applicant submits that none of the enclosed patents render his claims unpatentable; however, they are provided for the Examiner's consideration.

In particular, the current invention differs from all of the disclosed references in that none of the references disclose Applicant's structure to support and connect to a SINGARS military radio. Other differences exist as well.

Applicant makes no representation that a search has been made or, if made, was complete, or that no more pertinent art than that listed is available. It is expected that the Patent and Trademark Office will conduct an independent search for relevant references.

Respectfully submitted,

SIROTE & PERMUTT, P.C.

By:

A handwritten signature in black ink, appearing to read "RCG", is written over the printed name.
